

The perk people actually notice, delivered on a schedule.

Coffee for offices & corporate

THE NUMBERS

≈ \$9

Per employee per month
at 1.5 cups a workday, ~\$20/lb

≈ 15 lb a month

30-person office
three 5 lb bags

≈ 60% less per cup

Versus pods
and no plastic

Office coffee is a subscription: the right beans, on time, on one invoice — and a wellness coach in the bag. Every employee can use Clarity Sage to see what their coffee does to their sleep and focus.

THE PROGRAM

- Standing monthly or bi-weekly delivery, sized to headcount
- Whole bean or ground; matcha for the afternoon crowd
- Net-30 invoicing through the portal; reorder in one click; 20% off the first order
- Clarity Sage for every employee — the coffee-wellness console, free with the account
- Corporate gifting: branded boxes for clients and holidays
- Bean-to-cup included on program pricing for offices over ~30 people; a grinder on loan from 25 lb a month

WHAT HAPPENS NEXT

- 1 Samples for the kitchen; a tasting if you're in Chicagoland
- 2 We size the standing order to your headcount
- 3 Everyone gets a Clarity Sage invite

TERMS

20% off the first order · net 30 from the first invoice · free shipping · 5 lb minimum · USDA organic · roasted to order in Chicago, shipped within two business days.

Equipment: brewer or grinder on loan from 25 lb a month; espresso or bean-to-cup with the lease paid by us from 60 lb; or program pricing with the machine included at +\$1.50/lb on a 12-month term.
